## ATHLETICS MISSION STATEMENT

The University of Texas at El Paso is committed to providing a nationally competitive athletics program as an integral component of the educational mission of the university. Athletic programs sponsored shall be in compliance with the highest recognized standards of the institution and its athletics governing bodies. Intercollegiate Athletics will operate in harmony with the university's stated mission and be committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the Intercollegiate Athletics program shall serve as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together. Intercollegiate Athletics will actively support diversity in participation in all athletic programs and operations.

# This is El Paso

WELCOME TO **EL PASO, Texas**

---

AREA: **250.9 sq. miles**

POPULATION: **700,000**

CLIMATE: **Sunny and dry**

DAYS OF YEARLY SUNSHINE: **318**

DAYS OF PRECIPITATION: **47**

AVERAGE YEARLY TEMPERATURE:

DECEMBER-FEBRUARY: **High 60/low 49**

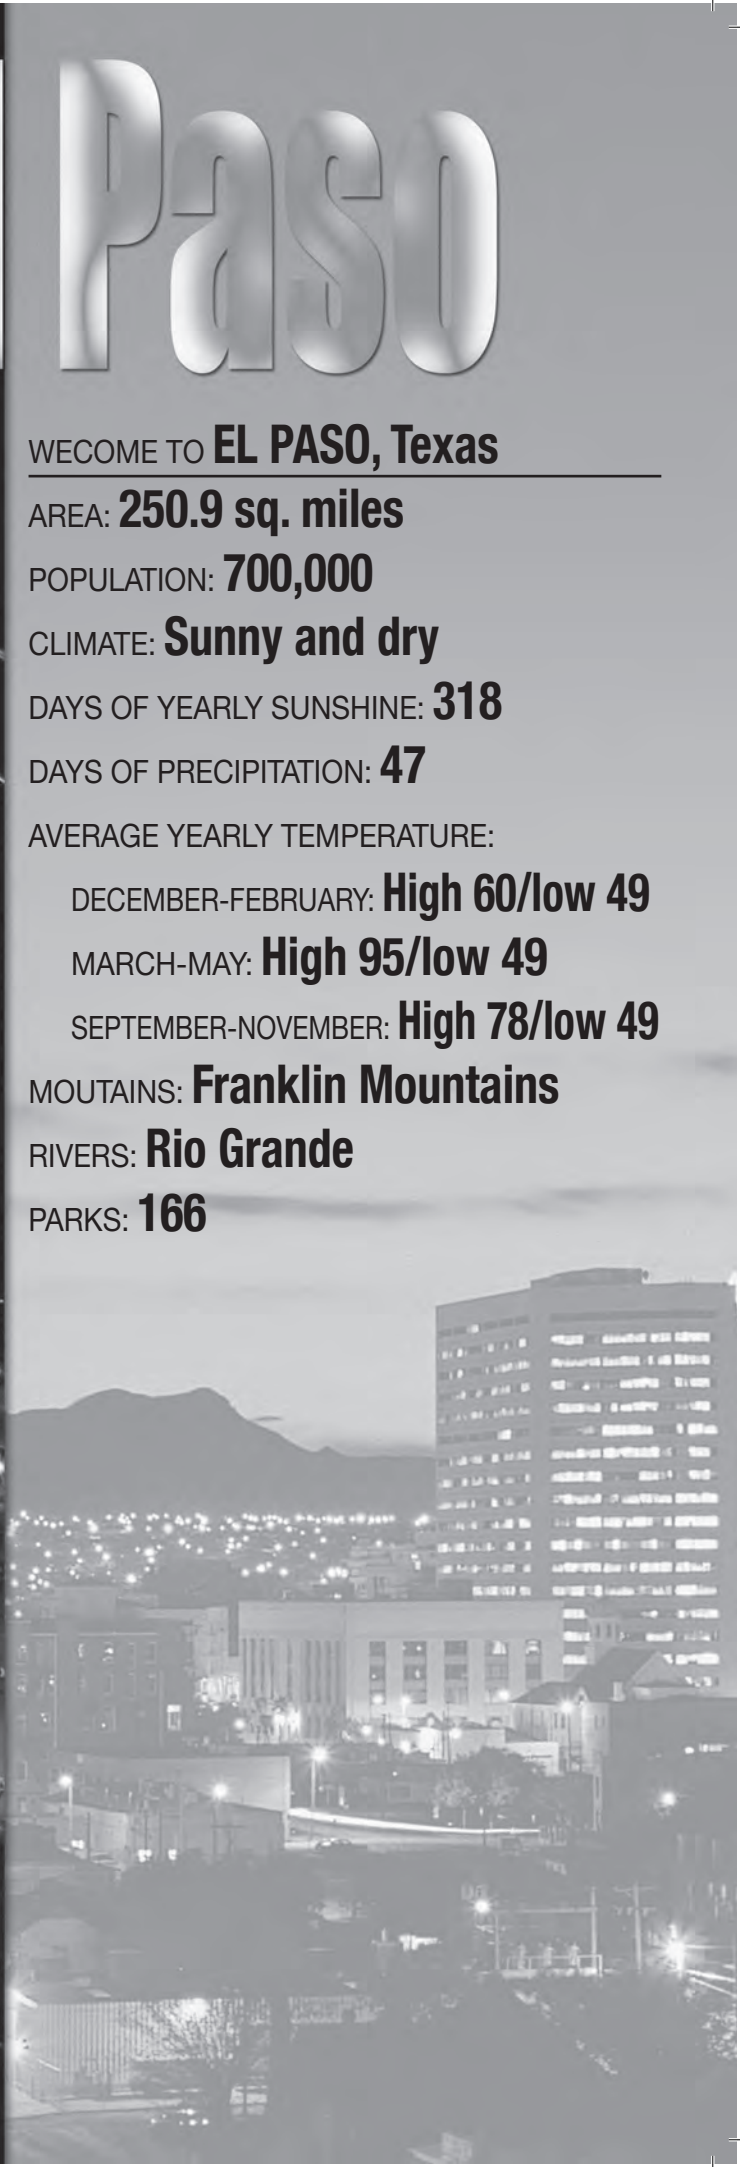

MARCH-MAY: **High 95/low 49**

SEPTEMBER-NOVEMBER: **High 78/low 49**

MOUNTAINS: **Franklin Mountains**

RIVERS: **Rio Grande**

PARKS: **166**

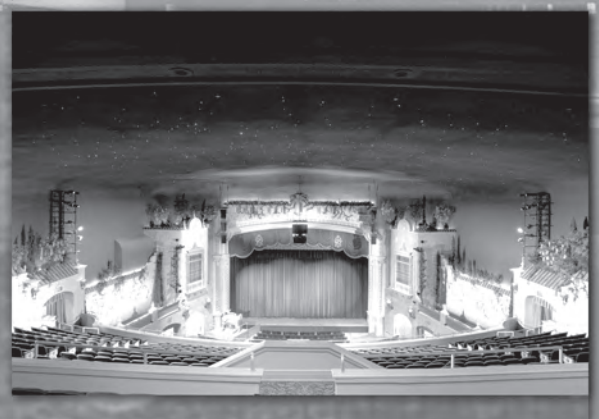

At the western most tip of Texas, El Paso sits along the borders of Texas, Mexico and New Mexico. We are at the intersection of several interstate systems and home to the El Paso International Airport, making us easy to get to by land or air.

As you enter the city of sun and smiles, your eyes go straight to the majestic mountains that lie in the heart of our city. Our distinctive landscape makes us unlike any other city in Texas. With more than 300 days of sun, you can enjoy the endless miles of nature's playground in El Paso any time of year.

El Paso embodies a blend of cultures as unique as its city's landscape. From boots to Broadway shows, bistros to barbeques, El Paso's got it all. Our culture is intertwined with both American and Mexican heritage, and it transcends into a city and community with a unique charm. We are friendly, inviting and full of many hidden treasures.

Our city's treasures include historical landmarks that tell tales from 400 years ago where missions were settled, roads were traveled and desperados ran through our downtown. Our historic downtown has transformed into a rejuvenated place for families, couples, friends and strangers to come together and enjoy great entertainment. From theater shows, museums, galleries and a slew of local hot spots, El Paso's downtown comes alive day or night.

Annual Events in El Paso include festivals such as the Siglo de Oro Drama Festival, Downtown Street Festival, Fiesta de las Flores, Amigo Airshow and the Bi-National Dia De Los Muertos Celebration; summer outdoor concerts Alfresco Fridays! and Music Under the Stars are free and filled with great entertainment; El Paso also has action-packed outdoor and sporting events throughout the year like Texas vs. The Nation Football Game, El Paso Marathon, Southwestern International Rodeo, Celebration of Our Mountains and the Brut Sun Bowl.

# The University of Texas at El Paso

At the University of Texas at El Paso, the sky is not the limit.

UTEP alumnus and NASA astronaut John "Danny" Olivas is testament to that.

The 1989 mechanical engineering grad made his first flight into space in June 2007, as part of the shuttle mission STS-117 crew, to work on the International Space Station.

In many ways, Olivas embodies UTEP's mission of providing access and excellence in higher education to the region's students.

A major research university at the heart of the U.S.-Mexico border, UTEP is a leader among Hispanic-serving institutions. We're the only doctoral research university in the nation with a student body that is a majority Mexican-American.

We're the No. 1 graduate engineering school for Hispanics in the nation, according to *Hispanic Business* magazine. And we rank among the top four universities in the nation in awarding undergraduate degrees to Hispanics -- and No. 1 in awarding bachelor's in engineering to Hispanics -- as reported by *Hispanic Outlook in Higher Education* magazine.

Our border location in the heart of the Chihuahuan desert allows us to offer vast and unique academic and research opportunities critical to our nation's future. UTEP's growing research portfolio boasts nearly \$46 million in research spending in a variety of areas, including border security, emerging technologies, Hispanic health, environmental and Earth science, borderland arts and humanities, and the education of U.S. Hispanics.

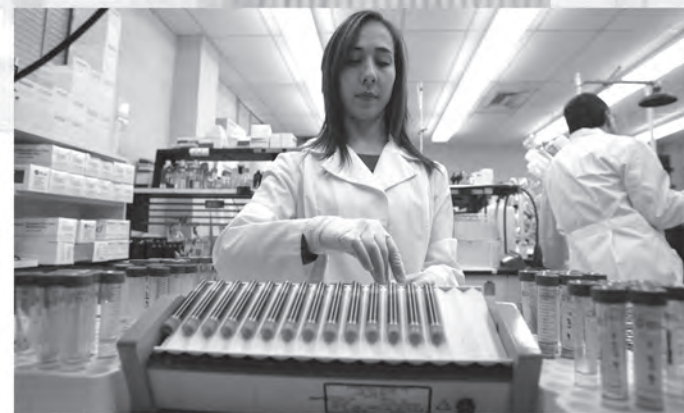

Under the leadership of our top-notch faculty researchers, our students are working on new methods for refining oil using nanotechnology; and creating sustainable water supplies and new desalination technologies. We're laying the foundation to become the leading center of research in immigration and international border studies, and are positioned to be a leader in homeland security and defense research.

We're working with rapid-prototyping technology to create surgical models. We're excavating prehistoric villages for clues about ancient indigenous cultures. We're studying a person's memory of a crime to improve eyewitness identification techniques, and we're using biomechanical engineering to improve footwear design.

And if like Olivas our students dream of traveling the universe, they can start at our aerospace systems center where they're developing methods to help spacecraft fly safer.

UTEP enrolls nearly 20,000 students in 81 bachelor's, more than 70 master's and 14 doctoral degree programs.

With many more programs and degrees in development, we're opening a universe of opportunities for students.

- › A Hispanic-serving institution, UTEP is a major urban research university located in the heart of the U.S.-Mexico border.
- › The Carnegie Foundation designates UTEP as a Doctoral/Research University-Intensive, placing us among the top-seven percent of all colleges and universities in the nation.
- › UTEP's student population of nearly 20,000 students is 72 percent Hispanic. Approximately 82 percent of our students are from the El Paso region and nine percent are from Mexico.
- › UTEP offers 81 bachelor's degrees, more than 70 master's-level degrees and programs, and 14 doctorates — with more on the way. UTEP also offers cooperative Ph.D. programs in nursing and pharmacy with UT-Austin and the UT Health Sciences Center at Houston.
- › UTEP ranks among the top-three universities in the nation in educating Hispanics; among the top four in awarding bachelor's to Hispanics; and as having the No. 1 graduate engineering program in the nation for Hispanics two years in a row.
- › The National Science Foundation has designated UTEP a Model Institution for Excellence — one of only six in the country.
- › UTEP is also one of only 20 schools in the U.S. recognized by the National Survey of Student Engagement for creating "a campus culture that fosters success."
- › With total research expenditures of about \$45.7 million in fiscal year 2006, UTEP ranks among the top institutions in the state in research spending.
- › When it comes to annual federal research, UTEP ranks second among UT System academic institutions and fourth among public universities statewide, with about \$26.5 million in expenditures.

# Miner Academic Excellence

## COLLEGES, SCHOOLS AND PROGRAMS

UTEP's nationally-recognized academic programs and innovative research provide students a universe of opportunities. We offer 81 bachelor's degrees, more than 70 master's-level degrees and programs, and 14 doctorates — with more on the way!

Our unique programs give students an edge, preparing them to compete in specialized fields. Among them are the Law School Preparation Institute, the Medical Professions Institute and the Ruben Salazar Spanish-Language Media Program.

- The COLLEGE OF BUSINESS ADMINISTRATION prepares students for careers in accounting, economics and finance, information and decision sciences, and marketing and management. The college offers an online M.B.A and a Ph.D. in international business, and is accredited by AACSB International, a benchmark of excellence awarded to less than 10 percent of the world's business schools.
- The COLLEGE OF EDUCATION shapes and prepares the community's and nation's teachers, counselors, diagnosticians and school administrators. The college's departments include teacher education, educational leadership and foundations, and educational psychology and special services. The college also offers alternative certification and a variety of outreach and service programs.
- The COLLEGE OF ENGINEERING offers six bachelor's degrees, 16 master's-level programs and four doctorate programs, and has been named a Model Institution for Excellence by the National Science Foundation. The college ranks No. 1 in the nation in awarding bachelor's degrees to Hispanics, and has twice been named the No. 1 graduate engineering school for Hispanics.
- The COLLEGE OF HEALTH SCIENCES offers more than a dozen degrees in an assortment of health fields, including clinical laboratory science, health promotion, kinesiology and cooperative pharmacy. Nationwide, the college ranks No. 3 in awarding bachelor's degrees in health sciences fields to Hispanics.
- The COLLEGE OF LIBERAL ARTS, the university's largest, provides students with nearly 20 different undergraduate and more than 15 master's degree programs in everything from music theater and psychology to criminal justice and anthropology. The college supports centers in the areas of law and border studies, inter-American and border studies, civic engagement, and law and human behavior.
- The COLLEGE OF SCIENCE offers degrees in the fields of biology, chemistry, geology, mathematics and physics, including eight master's-level and four doctorate-level programs. The college houses the Border Biomedical Research Center, the Medical Professions Institute and the Minority Access to Research Careers programs, among others.
- The SCHOOL OF NURSING, which trains more than 60 percent of El Paso's nurses, offers a bachelor's in nursing and a master's in nursing, with concentrations in family nurse practitioner, nurse clinician, nursing administration, or women's health care nurse practitioner. The school is accredited by the Commission on Collegiate Nursing Education and approved by the State of Texas Board of Nurse Examiners.
- UNIVERSITY COLLEGE offers a bachelor's in multidisciplinary studies, a program that allows students to combine credits from multiple academic disciplines into a single degree.

The **MINER ATHLETE ACADEMIC CENTER (MAAC)** was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards. Recognizing that one of student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibilities are to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; to track academic progress and to calculate and certify NCAA academic eligibility. The MAAC offers a Three-Part Academic Support Program designed to assist student-athletes in developing time management and study skills. The program includes mentoring, one-on-one tutoring, and large areas devoted to focused study time.

In April 2007, UTEP finished a complete renovation to expand the MAAC facility from 2,000 to 6,900 square feet. The new facility includes a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

The MAAC is open to all student-athletes Monday through Thursday, 7:30 a.m.-9 p.m.; Friday, 7:30 a.m.-5 p.m.; and Sunday, 2-7 p.m.

# Miner Village

UTEP has added apartment-style living, the first of its kind on campus, to its community. UTEP's housing, known as Miner Village, features one-bedroom, two-bedroom and four-bedroom units.

Miner Village's 12 apartment-style residence halls offer several floor plans, from cozy efficiencies to two- and four-bedroom units. Miner Village also features a community building which houses study rooms, a recreation area, private mailboxes and administrative offices.

The units are within walking distance to lectures, labs and other activities, as well as a short distance from the Sun Bowl and the Don Haskins Center.

There are no extended monthly fees in Miner Village – all utilities are included. The units also feature basic cable, laundry facilities, independently controlled refrigerated air, local telephone service and voice messaging.

All residents of Miner Village also have access to free on-campus parking at Miner Village, as well as direct access to the internet from their rooms.

The units have campus security, as well as a housing administrative staff that is available Monday through Friday.

# Apartment Style Living

- › Local telephone service
- › Basic cable
- › Internet access
- › Laundry facilities
- › Free campus parking
- › 24-hour campus security
- › Recreational areas
- › Full kitchens
- › All utilities included

# Larry K. Durham Center

**The Larry K. Durham Sports Center opened its doors in August 2002. Named for successful businessman and former Miner football standout Larry Durham, the 65,000-square foot building, situated adjacent to the Sun Bowl, features:**

## **HALL OF CHAMPIONS**

Honoring UTEP's athletic heritage...the room is utilized for university and Department of Intercollegiate Athletics receptions and functions...features include: 11 flat screen TVs (three hanging, eight set into wall); seven swivel banners, showcasing sports currently sponsored by UTEP; and photos of football great Ken Heineman, track and field standout Suleiman Nyambui and the 1966 national champion Miner men's basketball team.

## **STRENGTH AND CONDITIONING CENTER**

Boasts 11,420 square feet of space (old weight room was less than 5,000 square feet), and is utilized by all UTEP student-athletes...features include: open space with 22 stations for all Olympic lifting; all-new equipment; two office areas, one storage area and a juice bar.

### **FOOTBALL COMPLEX**

Features include: 12 coaches' offices and one conference room; business center; video equipment room; kitchenette and storage area.

### **FOOTBALL LOCKER ROOM**

First-class and luxurious with 120 individually milled wooden lockers...also features an open meeting area, showers and bathroom facilities.

### **SPORTS MEDICINE CENTER**

Encompasses 4,798 square feet of space (old training room was 2,064 square feet), and is utilized by all UTEP student-athletes... features include: taping and treatment areas; one hot and one cold whirlpool in the Hydro Therapy Center; X-ray and exam rooms.

### **ATHLETE EQUIPMENT CENTER**

Features include: six dryers and three washers; upper space for storage, sewing machine, etc.; 160 small lockers for student-athletes to store uniforms and practice gear.

### **STUDENT-ATHLETE LOUNGE AND COMPUTER CENTER**

Features 14 computers which are utilized by student-athletes between classes and prior to practice...student-athlete lounge has three TVs, vending machines, etc.

### **HUMAN PERFORMANCE AND BIO MECHANICS LABORATORY**

A Kinesiology lab for students.

### **OTHER DURHAM CENTER FEATURES**

Six football positional meeting rooms; one large football meeting room; separate locker rooms for male and female students and coaches.

# State of the Art Facilities

# Gameday in El Paso

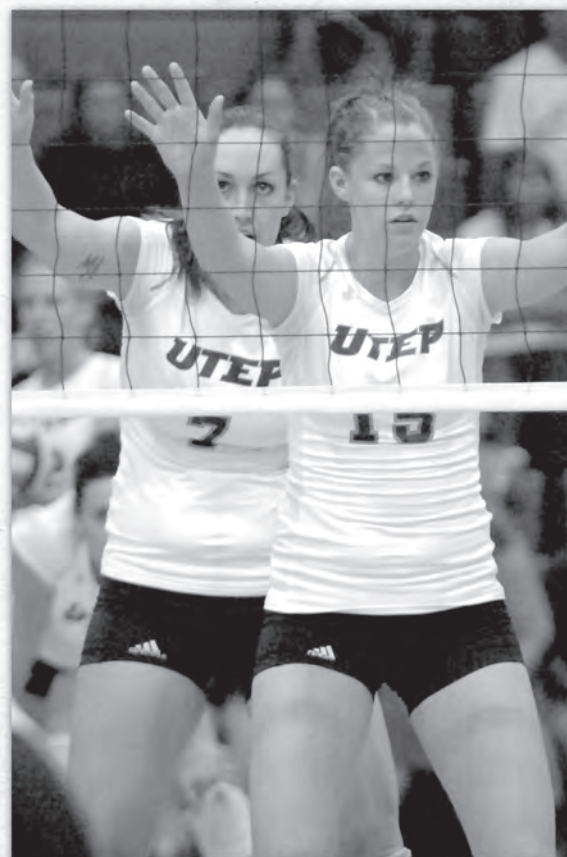

- The UTEP volleyball team plays in historic Memorial Gym, home of the 1966 NCAA Men's Basketball Champions.

- The Miners averaged 583 fans per match in 2007, ranking them second among Conference USA schools in attendance.

- UTEP volleyball totaled 7,575 fans in 13 matches during the 2007 season. The mark was 2,000 more than the 2006 season and eclipsed the 2005 campaign by over 3,000.

- The 2007 UTEP volleyball team had five matches with crowds of over 600. The season-high attendance was 992, against the New Mexico State Aggies.

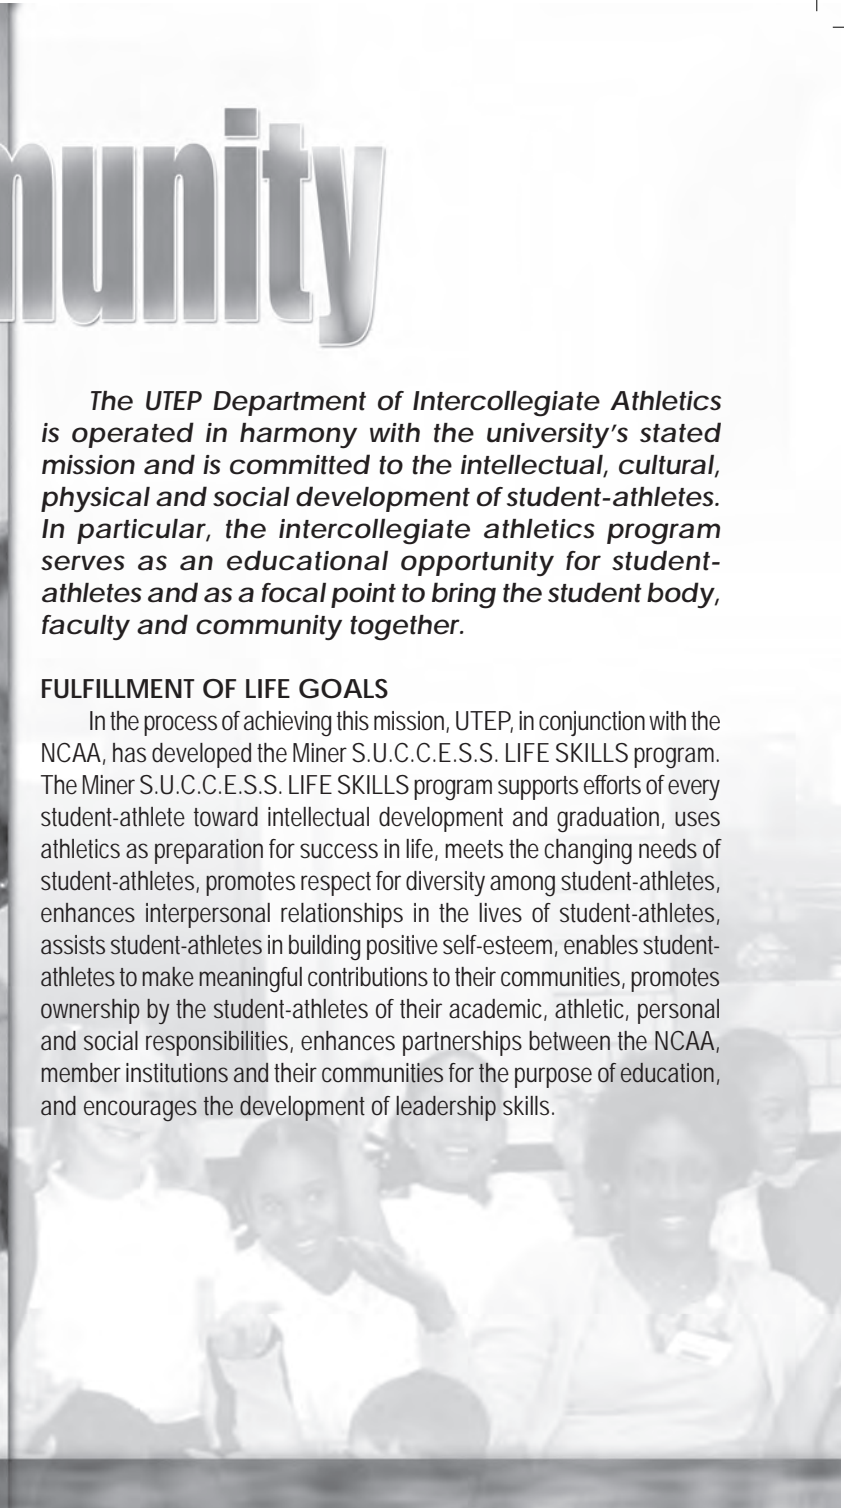

# In The Community

*The UTEP Department of Intercollegiate Athletics is operated in harmony with the university's stated mission and is committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the intercollegiate athletics program serves as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together.*

## FULFILLMENT OF LIFE GOALS

In the process of achieving this mission, UTEP, in conjunction with the NCAA, has developed the Miner S.U.C.C.E.S.S. LIFE SKILLS program. The Miner S.U.C.C.E.S.S. LIFE SKILLS program supports efforts of every student-athlete toward intellectual development and graduation, uses athletics as preparation for success in life, meets the changing needs of student-athletes, promotes respect for diversity among student-athletes, enhances interpersonal relationships in the lives of student-athletes, assists student-athletes in building positive self-esteem, enables student-athletes to make meaningful contributions to their communities, promotes ownership by the student-athletes of their academic, athletic, personal and social responsibilities, enhances partnerships between the NCAA, member institutions and their communities for the purpose of education, and encourages the development of leadership skills.

The above goals are achieved through the five components of the Life Skills/CHAMPS program. These include:

### COMMITMENT TO ACADEMIC EXCELLENCE

In coordination with the Miner Athlete Academic Center (MAAC), the UTEP athletic department is committed to providing the necessary tools for student-athletes to succeed in the classroom. The MAAC provides academic advising, one-on-one tutoring, regular mentor meetings and structured study hall. Emphasis is placed on the academic success of UTEP student-athletes by the coaches and the administration. Continuous recognition throughout the year of academically successful individual student-athletes and teams is part of the mission of the Miner S.U.C.C.E.S.S. LIFE SKILLS program. Student-athletes are nominated and receive numerous national, conference and university academic awards including, but not limited to: Verizon Academic All-American, C-USA Commissioner's Honor Roll, Athletic Directors' List, Athletic Directors' Team GPA Award, C-USA Scholar Athlete Award, and UTEP Top Ten Senior.

In addition to recognition, the athletic department strives to implement programs and participate in programs designed to recognize the academic success of our student-athletes, as well as thank those individuals and campus entities that assist in the success of our student-athletes. These programs include: Graduation Breakfast, Letter Award Blanket Recognition, Deans' Luncheon, Student-Athlete Faculty Appreciation Night, Football and Basketball Halftime Recognition, Faculty Coach Program, and Commencement and Convocation.

### COMMITMENT TO ATHLETIC EXCELLENCE

The goal is to build philosophical foundations for the development of athletic programs that are broad-based, equitable and dedicated to the well-being of the student-athletes and the team as a whole. The department is continuously striving to provide all the necessary tools for all sports programs to have athletic success. There are several programs designed to assist individual student-athletes and teams in achieving the highest level of success such as:

- UTEP Sports Medicine/Athletic Training Program – An elite educational athletic training program designed to proactively keep UTEP student-athletes healthy and on the field practicing and competing.
- Larry K. Durham Sports Center - The 65,000-square foot building features a 11,420-square foot strength and conditioning center, a student-athlete lounge/computer center, a football locker room, first-class coaches' offices, a separate kinesiology laboratory, a multi-purpose meeting center, a "Hall of Champions" recognizing building and campaign donors, and the display

of memorabilia illustrating the tremendous tradition of UTEP athletics' past and current accomplishments.

### COMMITMENT TO PERSONAL DEVELOPMENT

The athletic department and the university seek to provide student-athletes with the coping skills necessary to deal with a variety of life's challenges; to support the development of a well-balanced lifestyle for student-athletes; and to encourage emotional well-being, personal growth and decision-making skills. These goals are addressed through Student-Athlete Orientation, the Student-Athlete Handbook, the Student-Athlete Advisory Committee, Drug/Alcohol and other Educational Programs, and the NCAA Speaker's Grant.

### COMMITMENT TO SERVICE

An important part of college life is selfless service to the university community and the community at large. This commitment provides student-athletes with an opportunity to begin a lifelong habit of volunteerism. Every UTEP student-athlete has numerous opportunities to participate in community service provided by the Department of Intercollegiate Athletics and other campus and community organizations. Each year over 500 appearances are made throughout the community by UTEP student-athletes.

### COMMITMENT TO CAREER DEVELOPMENT

This component is dedicated to helping student-athletes identify career goals, develop interviewing skills, write resumes and coordinate a successful job search. In coordination with the UTEP Career Center, UTEP student-athletes have several opportunities to enhance their marketability for life after college:

- Career Services - The career center provides students with assistance in career planning and advising and employment counseling, in addition to hosting on-campus workshops, career fairs and company interviews.
- Career Workshops – In coordination with the UTEP Career Center, student-athletes are offered resume-writing and interviewing workshops specialized for student-athletes.

### FOR MORE INFORMATION . . .

In order to achieve success in the SUCCESS Life Skills Program, several campus and community organizations and resources are utilized by athletics. This program takes a comprehensive effort from everyone involved with UTEP student-athletes. To find out more information about the program, please contact Lisa Campos at (915) 747-5347.

SOUTHERN MISS

TULANE

TULSA

UAB

UCF

UTEP

## TEAM C-USA: DEDICATED TO EXCELLENCE

Welcome to Conference USA, home to 12 nationally prominent, tradition-rich members in East Carolina, Houston, Marshall, Memphis, Rice, SMU, Southern Miss, Tulane, Tulsa, UAB, UCF and UTEP. This combination enhances men's and women's programs that are steeped in athletic success and academic prowess. Together, we are committed to excellence, integrity and leadership in athletics, academics and in our communities. Dedication to excellence is a common thread for C-USA and the guiding initiative for the league's promising future.

All C-USA institutions sponsor Division I-A football, along with several other men's and women's athletic programs, many of which compete regularly for NCAA Championships. C-USA sponsors competition in 19 sports - nine for men (baseball, basketball, cross country, football, golf, soccer, tennis and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, softball, soccer, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. C-USA annually awards six postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.

### SUCCESS ON THE PLAYING FIELD

Conference USA performers have achieved great success in competition, placing the league among the top conferences in the nation. Twenty-nine volleyball teams, 43 men's and women's soccer teams and 21 softball teams have earned NCAA Tournament bids. C-USA has sent three men's soccer teams to the NCAA College Cup, five softball teams to the Women's College World Series and three volleyball teams to the Sweet 16. The league has also had four national champions in NCAA track and field competition, one national champion in diving and numerous NCAA individual and team competitors in cross country, golf, swimming, tennis and track and field. Overall, Conference USA teams and individuals have made 506 NCAA appearances.

### SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance among student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions off the playing field as well. In 13 years, 115 student-athletes earned national ESPN The Magazine Academic All-America honors, while 405 were named All-District. In addition, more than 15,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

# COACHING STAFF

Head Coach  
Third Season  
Arizona State, 1992

Ken Murphy enters his third season at the helm of the UTEP volleyball program.

In his first season, two Miners had a record-breaking campaign. Katie Smith and Elsa Reyes shattered single-season school standards for assists and digs, respectively. Smith's 1,356 assists in 2007 toppled a record which had stood for 15 years.

Under Murphy's guidance, Smith received Academic All-Conference USA honors while eight student-athletes were named to Conference USA's Commissioner's Honor Roll.

Murphy came to UTEP after serving six seasons as the associate head coach at the University of Idaho, where he helped lead the Vandals to back-to-back NCAA Tournament appearances in 2003 and 2004.

While at Idaho, Murphy's duties included recruiting and team development, with primary responsibilities over middle blockers and setters. He also oversaw offensive and blocking systems, as well as strategies.

Prior to Idaho, Murphy was an assistant coach at Colorado State. He led the Rams to three NCAA tournaments, including a Sweet-16 appearance in 1999 and second-round finishes in 1997 and 1998.

Murphy also served as head coach of various club organizations around the country over a 10-year period. While in Fort Collins, Colo., he guided his 18U team to a top-20 ranking during the 1999 season and led the Norco Juniors to the 1998 Rocky Mountain Region title and the 1997 USA Volleyball national qualifiers.

He has additionally had extensive high school coaching experience. As an assistant coach, he led Marcos de Niza High School (Tempe, Ariz.) to the 5A state title in 1992 and 1993, as well as a state runner-up finish in 1994. As the boys varsity coach, he directed the team to the state quarterfinals in 1994.

Murphy received his bachelor of science degree from Arizona State in 1992 and a master of science degree in 1995. He was born on July 19, 1968.

Murphy married the former Corie Isaacson on May 17, 2008.

## Angela Mooney

Assistant Coach  
Fifth Season  
Texas Tech, 2004

Angela Mooney will begin her fifth season with the UTEP volleyball program.

Mooney's coaching duties include, but are not limited to, recruiting, training middle blockers, scouting opponents, participating and running daily drills and coordinating the UTEP volleyball camps held every summer.

Mooney has extensive coaching experience at the club level. She coached for the Texas Power Volleyball Club from 2001-04. In her inaugural season as head coach, Texas Power won the Sun Country Regional Championship, qualifying for the 2004 Junior Olympic National Tournament. Mooney was an assistant for Texas Power the previous three years, helping the team make appearances at the AAU national tournament in 2001 and the National Invitational in 2002.

In 2005, Mooney teamed with the El Paso Sunspots Volleyball Club as the head coach of their top 18's team. The Sunspots' 18-Heat won the Sun Country Regional Championship, qualifying for the 2005 Junior Olympic National Tournament.

In 2007, Mooney captured her third regional championship in four years as head coach of the Sunspots 18's and again returned to the Junior Olympic National Tournament. She was also named the co-head coach of the 2007 Sun Country High Performance team that competed in Ft Lauderdale, Fla. this past July.

Mooney played volleyball at Texas Tech from 2000-03. She tallied 930 kills, 348 digs and 229 blocks. She still holds various hitting and blocking records. She was named Academic All-Big 12 in 2003.

The Lubbock native earned her bachelor's degree in human development and family studies from Texas Tech in May 2004.

## JESSICA Jessica Spiegelhalter-Holtzclaw

Program  
Coordinator  
First Season

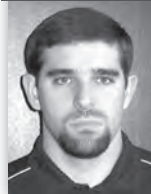

Jessica Spiegelhalter-Holtzclaw begins her first season with the Miners.

Prior to UTEP, Spiegelhalter-Holtzclaw spent six years as head coach at North Bullit High School in Shepherdsville, Ky. Additionally, Spiegelhalter-Holtzclaw has coached travel and non-travel club for four years in Kentucky, Indiana and Louisville.

Spiegelhalter-Holtzclaw received a Bachelor of Arts degree from Centre College where she was a member of the golf team.

Spiegelhalter-Holtzclaw is married to U.S. Army Sgt. Sean Holtzclaw.

## DAVID David Adamson

Strength &  
Conditioning  
First Season  
Univ. of Wisconsin-  
La Crosse  
2003

David Adamson will take over the volleyball team's strength and conditioning program after working with the UTEP soccer and softball teams in 2007-08.

Before coming to UTEP, Adamson worked with hockey and the men's and women's track and field teams while earning a Master of Science at Virginia Commonwealth. He was also an intern at Arizona State during the spring of 2003. Adamson served as a volunteer at Winona State University.

## Azadeh Boroumand

Assistant Coach  
First Season  
Pittsburgh, 2007

Azadeh Boroumand enters her first season as an assistant volleyball coach.

Boroumand's coaching responsibilities include working directly with the setters while also spearheading community outreach programs. She will assist with recruiting, camps and clinics throughout the year.

Boroumand comes to UTEP after completing her eligibility as a four-year letterwinner at the University of Pittsburgh (2003-06) where she helped the Panthers notch consecutive NCAA appearances in 2003 and 2004.

A setter from Red Deer, Alberta, Boroumand garnered First Team All-BIG EAST Conference honors and was honorable mention American Volleyball Coaches Association (AVCA) Northeast Region as a senior in 2006. In her final campaign at Pittsburgh, she was a BIG EAST Player of the Week and tabbed to the league's weekly honor roll twice.

Boroumand's 1,336 assists in 2004 were the most by any Panther sophomore in school history. She finished the season with 12.6 assists per game to rank first among all BIG EAST Conference players and 47th nationally.

In addition, she was tabbed the 2006 Magnolia Invitational MVP and picked up Pittsburgh Volleyball's Leadership Award (2006) amongst her many other accolades.

The Canada native appeared in 285 games while recording 3,200 assists (11.23/game) and contributing 278 kills (.314) in a Panthers' uniform.

For her efforts off the court, Boroumand received Pittsburgh's Athletic Senior of Distinction Award and the Panther Gold Academic Award. She was also named a BIG EAST Conference Academic All-Star while contributing to the Top Women's Team GPA Award as a senior. Boroumand graduated with a Bachelor of Arts in Communication with a minor in French on December 2007.

## TOM Tom Lechtenburg

Athletic Trainer  
First Season  
Kansas State 2003

Tom Lechtenburg enters his fourth year at UTEP and first with the volleyball team.

In addition to working with UTEP teams, Lechtenburg has served as the trainer for Team Nation in the annual Texas vs. the Nation game played in El Paso.

Lechtenburg earned a Masters of Sport Administration from the University of New Mexico in 2003.

The Springfield, Neb., native spent three and a half years at Highland High School in Albuquerque, N.M. He served as an intern for the New England Patriots during training camp in 2003.

## AARON Aaron Zubia

Events  
Coordinator  
Second Season

A native of El Paso, Texas, Aaron Zubia enters his second season with the volleyball program.

A two-time All-State selection in basketball, Zubia was valedictorian at Immanuel Christian School.

Zubia is currently a senior at UTEP majoring in business specializing in marketing.

## DR. DIANA NATALICIO

### University President

Diana Natalicio was named president of UTEP in 1988.

During her long and distinguished career with the university, Dr. Natalicio has served as vice president for academic affairs, dean of liberal arts, chair of the modern languages department, and professor of linguistics.

Her sustained commitment to provide all residents of the Paso del Norte region access to outstanding higher education opportunities has made UTEP a national success story.

During Dr. Natalicio's tenure as president, UTEP's enrollment has grown to nearly 20,000 students, who reflect the demographics of the Paso del Norte region from which 90 percent of them come: More than 70 percent are Mexican-American, and another 10 percent commute to the campus from Ciudad Juarez, Mexico.

UTEP's annual budget has tripled, from \$80 million to more than \$250 million, since 1988. Recently, UTEP was designated as a research/doctoral-intensive university, recognized nationally for both the excellence and breadth of its academic and research programs.

UTEP's externally funded research expenditures have grown from less than \$5 million to more than \$46 million per year, and doctoral programs from one to 14 during this same period. To accommodate steady growth in enrollment, academic programs, and research, the university recently completed a \$50 million facilities expansion program and has embarked on a \$124 million upgrade of core science and engineering facilities.

Dr. Natalicio serves on the board of trustees of the Rockefeller Foundation and the board of governors of the U.S.-Mexico Foundation for Science. She has served on the NASA Advisory Committee (NAC), and was appointed by President George H. W. Bush as a member of the Advisory Commission on Educational Excellence for Hispanic Americans. Initially appointed to the National Science Board by President Bill Clinton in 1994, she served two six-year terms as a board member and three two-year terms as the NSB's vice-chair.

She also served on the board of trustees of Internet2. In addition, she is a member of the boards of directors of the Sandia Corporation, Trinity Industries and the National Action Council for Minorities in Engineering.

In recognition of her success in building strong partnerships between UTEP, the El Paso Community College, and school districts in the Paso del Norte region, Dr. Natalicio received the Harold W. McGraw, Jr. Prize in Education in 1997.

She was inducted into the Texas Women's Hall of Fame in 1999, was honored with the Distinguished Alumnus Award at The University of Texas at Austin in 2006, and is the recipient of honorary doctoral degrees from Smith College and the Universidad Autonoma de Nuevo Leon.

The American Council on Education awarded Dr. Natalicio the Reginald Wilson Diversity Leadership Award in February 2007 for her contributions to the advancement of diversity in higher education.

A graduate of St. Louis University, Dr. Natalicio earned a master's degree in Portuguese and a doctorate in linguistics from The University of Texas at Austin.

## BOB STULL

### Director of Athletics

Bob Stull's initial strategic plan resulted in unprecedented growth and achievement for UTEP Athletics. Phase two of his strategic plan -- which is currently being implemented -- is designed to take the Miners to even greater levels of excellence.

UTEP's football coach from 1986-88, Stull took over as the school's Director of Athletics in 1998. His return has produced a myriad of accomplishments, most notably:

- The football team making three bowl appearances, including two since the arrival of former National Coach of the Year Mike Price in 2004
- The men's basketball program reaching postseason play in four of the last five seasons, including the NCAA Tournament in 2004 and 2005
- The women's basketball team racking up 50 wins over the last two seasons, including a school-record 28-4 campaign in 2007-08 that produced a Conference USA regular season title and the school's first NCAA Tournament berth
- The women's soccer team earning its first-ever NCAA Tournament bid in 2005 and scoring a first-round upset of Texas in Austin
- The cross country and track and field squads capturing nine conference titles over the last four years
- The rifle program finishing eighth in the nation in smallbore in 2005

Team success, however, doesn't even begin to tell the story of the impact Stull has made at UTEP. Student-athlete graduation rates have soared since his arrival. Existing facilities have been renovated, and sparkling new buildings -- once a pipe dream -- have taken shape. The acquisition of major gifts has totaled \$35 million over the last five years, an all-time high.

Stull spearheaded UTEP's transition from the Western Athletic Conference -- the Miners' home for over 30 years -- into Conference USA. As a member of C-USA UTEP has maintained rivalries with state institutions Houston, Rice and SMU, while benefiting from increased regional and national exposure.

Stull's greatest achievement off the playing field has been widespread enhancements to UTEP's athletic facilities. The \$11 million, 65,000-square foot Larry K. Durham Sports Center opened in 2002. In 2005, construction was completed on the state-of-the-art, \$2.2 million Helen of Troy Softball Complex. Construction is currently underway on the \$14.3 million, 43,000-square foot Foster Stevens Basketball Center.

Under Stull's leadership, UTEP set school records for football attendance average (47,899) during the 2005 season. The men's basketball team has played before 18 sellout crowds of 12,000 since 2004, and women's basketball set a school record with an audience of 7,255 for the SMU game in 2008.

Stull is in his second tour of duty with the Miners after serving as the team's football coach from 1986-88. He was also head coach at Massachusetts and Missouri previously.

Stull and his wife, Kim, have two children -- daughter Shannon, a University of Texas graduate, and son Kevin, who recently graduated from Arizona State.

Third-year head coach Ken Murphy and the UTEP volleyball program are focused on looking forward to the 2008 campaign.

"We are as optimistic as ever about the upcoming season," Murphy said. "We feel prepared for what the next couple of months will bring us. We had a fantastic spring, both developmentally and competitively, and our players are fully aware of how much they have improved as a team. Now we are just anxious to get going and see how far that will take us this season."

UTEP returns five starters from the 2007 season, in the form of outside hitters Catherine Chavez and Amy Sanders; middle blockers Aidan Mooney and Daidre Mendenhall; and Patty Jarmoc at setter. Murphy will rely on six newcomers to reinforce the nine returning letterwinners.

"We have added depth at every position and I'm envisioning that we will have a very competitive pre-

"Amy was an offensive workhorse for us last year and maybe the most underrated player in our conference," said Murphy. "She is a powerful player with a large range of shots and we will depend on her again to take a lot of swings for us."

Chavez finished second in kills (311) and digs (332). She had respective averages of 2.99 and 3.19.

"Catherine had a great off-season and has developed into one of the best all-around players that I have coached," Murphy said. "She has the ability to impact a match in a variety of ways and the knowledge to use it to our team's advantage."

Marie-Therese Joyce will join the Miners on the court after spending the 2007 season as a redshirt freshman. Junior Irma Blanco brings two years of experience to the position. The Miners also added freshman Bridget Logan from Seattle, Wash.

player and I know she has worked hard to have a great senior season."

Mooney paced all Miners in blocks with 89 (19S, 70A), averaging a team-high 1.07 blocks per game.

"Aidan may be the most improved player on our team over the last couple of years," Murphy said. "She can dominate a series of points with her blocking and she has become a very difficult player to defend against."

Jarmoc proved to be a consistent player not only at setter, but on the defensive side of the net. Jarmoc enters her sophomore campaign after finishing second on the team with 76 blocks and 41 aces.

"Patty had a very solid freshman year setting our team and learning how to compete at this level," said Murphy. "She spent the off-season adding deception to her game and really learning how to make hitters successful. She plays the entire game at a much higher level at this point

"We have added depth at every position, and I'm envisioning that we will have a very competitive pre-season," said head coach Ken Murphy

season," said Murphy. "Our newcomers are all really good players and it wouldn't surprise me if any of them earned serious playing time this year."

Leading the pack of newcomers is NJCAA Division I All-Region VI team selection KeAnne Langford. A transfer from Hutchinson Community College, Langford will fill the void left by the departure of libero Elsa Reyes.

"KeAnne is a great athlete with an outstanding feel for the game," Murphy said of the junior transfer. "She has invested a lot of time learning our systems and mechanics and I think our fans will be amazed by how many great plays she makes."

The Miners will head into 2008 without the services of outside hitters Christie Murphy and Megan Maynard, as both exhausted their eligibility last season. Two-year veterans Chavez and Sanders led the team in kills last season and will provide the leadership at that position.

"With the experience we have returning and the freshmen coming in, outside hitter becomes the deepest position on our team," Murphy said. "Each one of them offers a different combination of strengths and makes our team better in a little different way."

Casey McAnelly, now fully recovered from a knee injury she suffered in 2006, looks to return to the lineup for her senior season.

"Casey is beginning to look like the athlete and volleyball player that she was in the past," Murphy said. "She is an important player on our team, providing leadership and a competitive spirit to everything we do. I know that she will be an important part of our success this season."

A starter in every match, Sanders' team-leading 399 kills placed her third in UTEP annals in the season records category. She averaged 3.8 per game and recorded a career-high 25 on Oct. 28 against SMU. Her 46 aces on the season also led all Miners.

and I'm looking for her to have a breakout year."

The 2008 campaign will open on Aug. 29-30 when the Miners host the Sun Bowl Tournament. UTEP will travel north on I-10 to take on New Mexico State on Sept. 3. The Miners will stay on the road through the rest of the month with stops at the Doublewood Inn Classic in Fargo, N.D., the Gonzaga University Tournament in Spokane, Wash., and travel to the northeast to Providence, R.I.

"Our non-conference schedule has a nice mix of opponents, and I think we will be challenged in a variety of ways," Murphy said. "In many ways it reflects the variety that we see in C-USA so it will be a great preparation for us."

The Miners will return home to kick off C-USA play against Rice on Sept. 26 and against Houston on Sept. 28, before beginning league competition at UAB, Memphis, SMU and Tulsa. A three-match homestand against Marshall and East Carolina ends with the rematch against the NMSU Aggies on Oct. 22.

UTEP will take another four-game road trip to Houston, Rice, Southern Miss and UCF before closing off the home schedule against Tulsa (Nov. 7), SMU (Nov. 9), and Tulane (Nov. 14). The team will finish regular season play at Tulane on Nov. 16. The 2008 C-USA Championships are scheduled for Nov. 20-23 in Memphis, Tennessee.

"With C-USA co-champion Tulane returning most of their team they will be the team to beat," Murphy said. "I think we are pretty confident in how much we've improved, and we are looking forward to proving ourselves to the conference."

A trio of talented middles made up of seniors Keisha Hyman-Gifth, Mendenhall and junior Mooney will be bolstered with the arrival of newcomers Cassandra Burrue and Kelsey Moore.

"One of the identifying characteristics that we are trying to establish in our program is strong middle play," Murphy said. "This is the best group of middles that we have had during my tenure at UTEP. I believe that we will generate a lot of our offense through them."

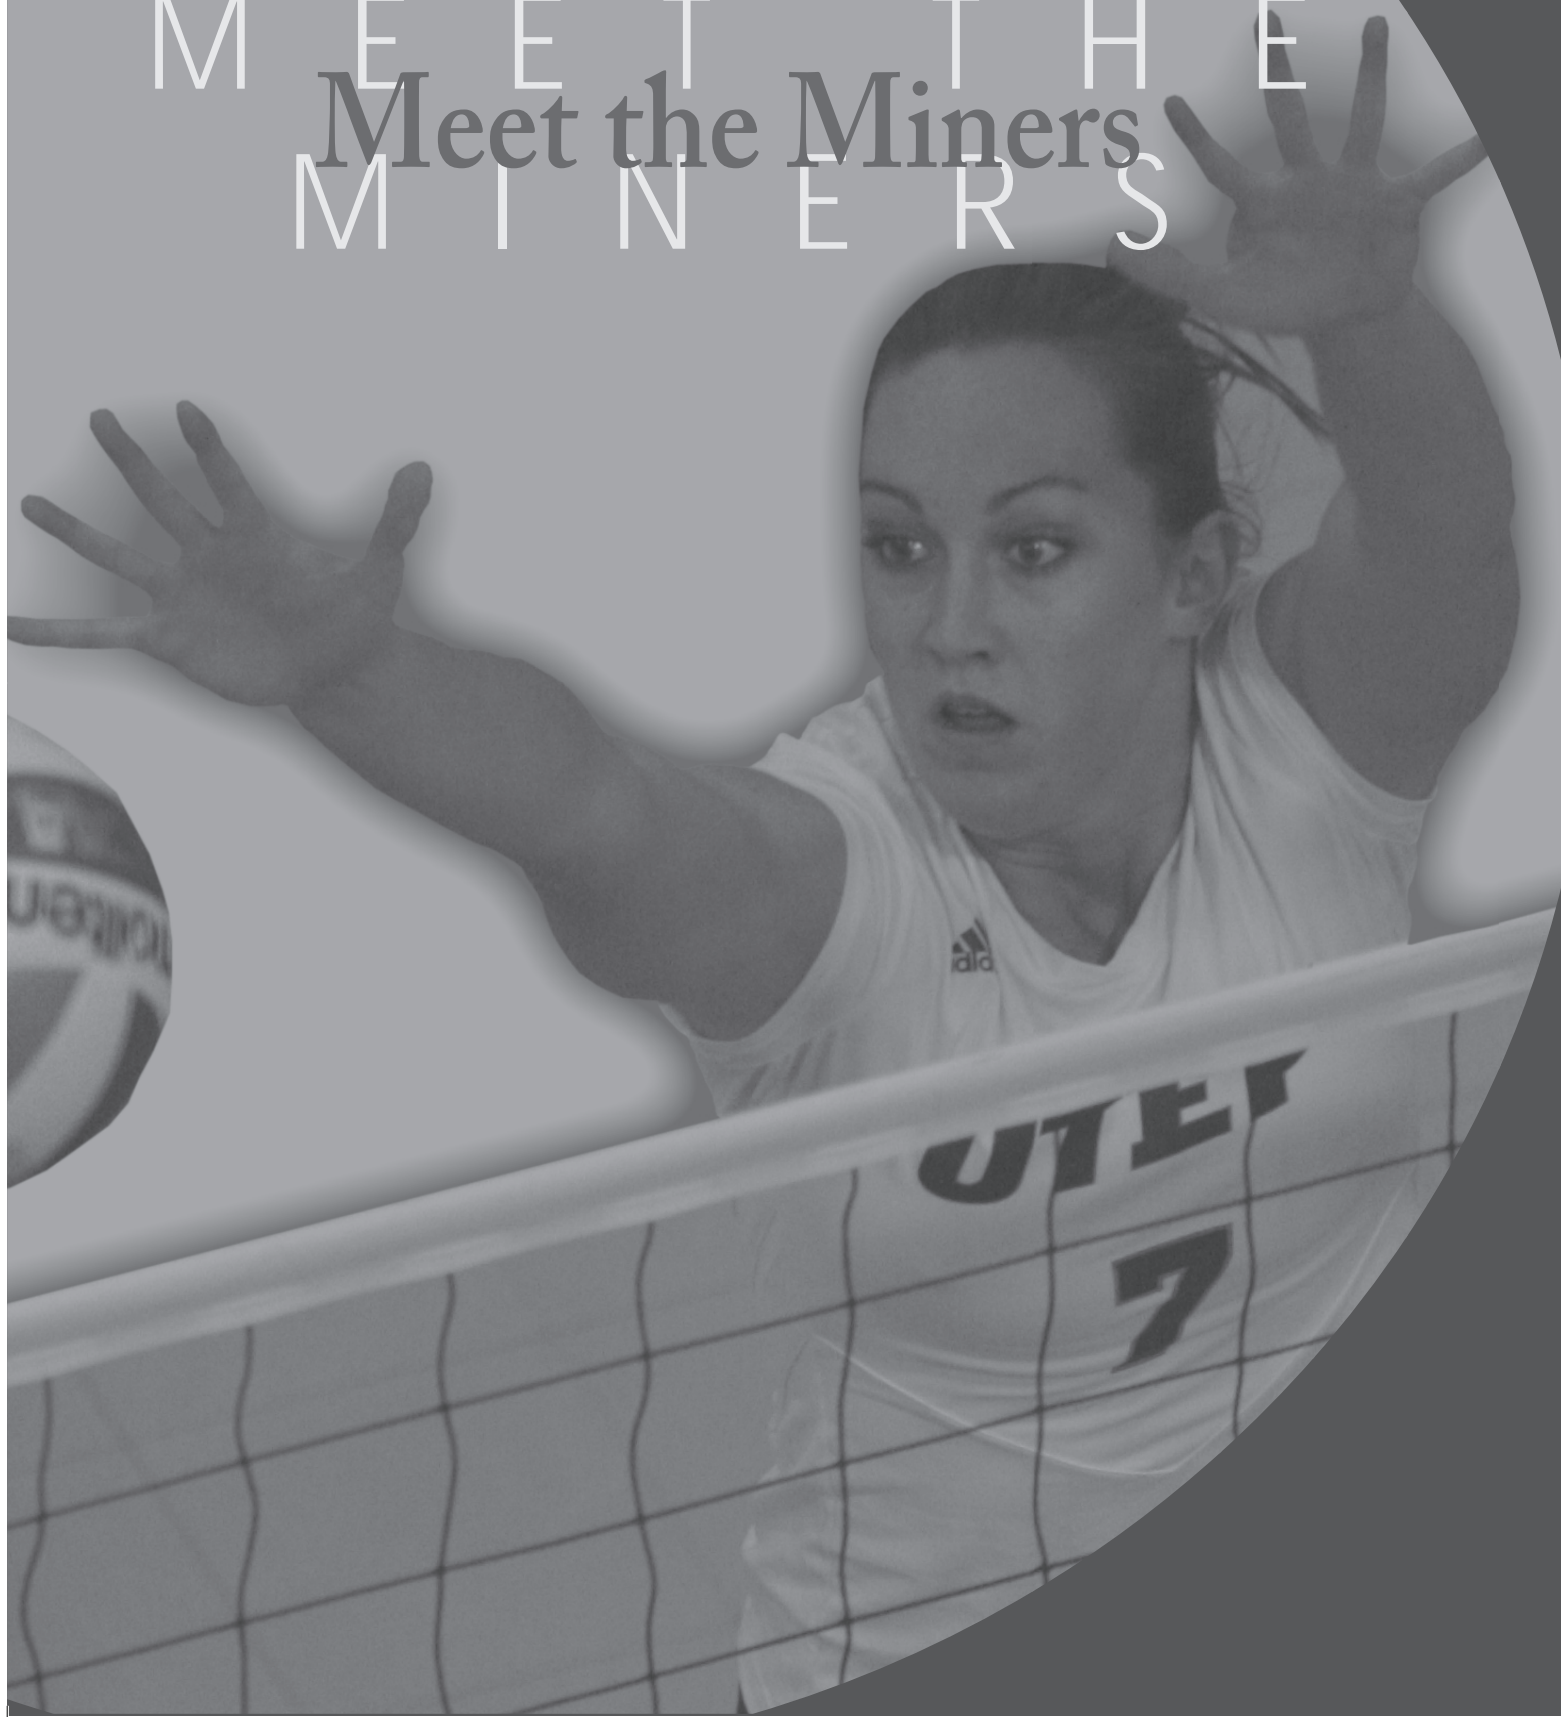

"Daidre has developed into one of our best offensive threats," added Murphy. "She has added a lot of variation and power to her arsenal, but her intense desire to be successful is what sets her apart from most players."

Hyman-Gifth will battle to return to true form after off-season surgery. The senior from Olympia, Wash., led the Miners in hitting percentage (.323) and registered a .938 average from the service line.

"Keisha has overcome a series of injuries during her career, including one again this year," said Murphy. "When healthy, she has been an exceptional offensive

# Miscellaneous Stats

## MISCELLANEOUS STATISTICS

Matches Played in a Season.....	50 (1983)
Most Wins in a Season.....	30 (1982)
Fewest Wins in a Season.....	Four (1986)
Most Losses in a Season.....	25 (1983, 2006)
Fewest Losses in a Season.....	Seven (1974, 1977, 1978)
Most Conference Wins.....	13 (1984)
Fewest Conference Wins.....	No wins in 1991, 1992 and 1994
Most Conference Losses.....	14 (1992, 1994)
Fewest Conference Losses.....	One (1984)
Most Home Wins.....	12 (1989)
Fewest Home Wins.....	No wins in 1976, 1980 and 2002
Most Home Losses.....	10 (1992)
Fewest Home Losses.....	One (1975, 1982, 1985)
Most Road Wins.....	Eight (1982)
Fewest Road Wins.....	No wins in 1980, 1986 and 2007
Most Road Losses.....	11 (1991, 1999)
Fewest Road Losses.....	Two (1976, 1990)
Most Neutral Wins.....	19 (1984)
Fewest Neutral Wins.....	Two (1986, 1999, 2002)
Most Neutral Losses.....	15 (1983)
Fewest Neutral Losses.....	Undeclared in 1977 and 1978
Best Winning Percentage in a Season.....	.719, 23-9 (1985)
Best Conference Winning Percentage in a Season.....	.929, 13-1 (1984)
Best Home Winning Percentage.....	.800, 8-2 (1988, 2005)
Consecutive Wins.....	14 (Nov. 6, 1987-Sept. 17, 1988)
Consecutive Wins in a Season.....	Nine (1982, 1996)
Consecutive Losses.....	16 (1995)
Consecutive Losses in a Season.....	16 (1995)
Consecutive Conference Wins.....	10 (1984)
Consecutive Conference Wins in a Season.....	10 (1984)
Consecutive Conference Losses.....	37 (Oct. 10, 1993-Nov. 17, 1995)
Consecutive Conference Losses in a Season.....	14 (1994)
Consecutive Conference Home Wins.....	7 (2005)
Consecutive Conference Home Losses.....	8 (2006)
Consecutive Conference Road Wins.....	6 (1996)
Consecutive Conference Road Losses.....	29 (Oct. 11, 1991-Nov. 4, 1995)
Highest Scoring Game (15).....	L, 26-24 vs. SE Missouri State (2000)
Highest Scoring Game (30).....	W, 39-37 vs. Tulsa (2005)
.....	L, 37-39 vs. Texas Tech (2001)
